Method A

Supplies needed:

- Pieces of paper and writing tools
- Large sheet of paper, like easel paper
- Markers

Steps:

♦“Individually write two things that need to be in place for you to feel safe or to feel that you can work or learn while you’re [in these meetings]. Take a minute or two of quiet time to do this.”

♦“With the person sitting next to you, share what you both have and together narrow it or combine it to two.”Take two to five minutes.

♦“Now I’d like to ask each group(or pair)to share what they’ve come up with and we will decide which guidelines we will adopt.”

Scribe or write “answers” on flip chart page; ask each pair or group to report one of their answers; go until all different answers have shared and all “answers” have been written on flip chart. All posts are visible.

Ask:

- ♦Are there any of these that need clarification?
- ♦Are there any of these that could be combined?
- ♦Is there anything that could be stated differently?
